Governor Jesse Ventura
130 Capitol
St. Paul, Minnesota 55155

Dear Governor Ventura:

This letter is complying with Minnesota Statutes §14.05, Subd. 5, which requires each agency to identify rules that are obsolete, unnecessary, or duplicative of other state or federal statutes or rules to the governor, legislative coordinating commission, policy and funding committees and divisions and the revisor of statutes.

After an in depth review, we have determined that there are no Administrative Rules which fall under the authority of the Department of Economic Security that are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

If you have any questions you may call me at 296-3574.

Sincerely,

Michael J. Fratto
Rules Coordinator
